

4TH INTERNATIONAL SYMPOSIUM ON STONE "HERZEGOVINA – A LAND OF STONE"

I. ANNOUNCEMENT

SYMPOSIUM TOPICS:

1. STONE INDUSTRY - YESTERDAY, TODAY, TOMORROW
2. LEGAL REGULATIONS IN THE AREA OF STONE
3. STONE RESEARCH
4. CULTURAL AND HISTORICAL HERITAGE IN STONE
5. STONE(QUARRIES) AND ENVIRONMENT

Papers on the proposed topics that will be presented in the work of the Symposium will be selected by the Scientific and Expert Committee of the Symposium, where the specially selected papers will be presented at the opening of the Symposium, and the remaining papers in the afternoon work of the Symposium. All accepted papers will be published at the Symposium in a (smaller-format) booklet of abstracts, and the full papers will be translated into English and published in a special edition of "e-Zbornik" - electronic collection of papers of the Faculty of Civil Engineering University of Mostar, which is available in the journal databases EBSCO, Hrčak (<https://hrcak.srce.hr/e-zbornik>), DOI (CrossRef) and DOAJ (The Directory of Open Access Journals). Publishing rights, as well as those related to independent storage of texts, apply as described on the network of the Sherpa organization (RoMEO service), which is maintained at the University of Nottingham. In bibliographic terms, the journal is identified by the data: ISSN 2232-9080 (online edition) and DOI: 10.47960/2232-9080.

IMPORTANT DATES

- | | |
|--|---------------|
| - registration of paper | 15 March 2023 |
| - deadline for submission of abstracts | 15 April 2023 |

PLACE AND TIME OF THE SYMPOSIUM

Amphitheater of the Faculty of Civil Engineering, Architecture and Geodesy, University of Mostar, **26-27 May 2023**.

CONTACT

For all information on the Symposium, to register a paper and to submit abstracts, you can contact the Vice-Chairman of the Symposium Scientific and Expert Committee, Krešimir Šaravanja, Ph.D.(mobile phone +387/63/312-993, fax: +387/36/355-001, e-mail: kresimir.saravanja@fgag.sum.ba)

ACCOMPANYING EVENTS WITHIN THE SYMPOSIUM:

1. EXHIBITION OF STONE MANUFACTURERS IN BIH (26-27 May 2023)

Exhibits: stone samples of the prescribed size (and mass), with processing by the respective manufacturer. All exhibits will remain the property of FCEAG for the future exhibition display of stone for the courses "Fundamentals of Geology and Petrography" and "Construction Materials";

On the basis of recommendations for the use of certain types of stone, existing certificates and reports, along with references to some structures in BiH and abroad, we will try to create a virtual (digital) book under the working title "Manufacturers of dimension stone in BiH", which will be published on fgag.sum.ba.

2. EXHIBITION OF PAINTINGS "HERITAGE IN STONE" (26-27 May 2023)

During the Symposium, an exhibition of 60 paintings is planned in the FCEAG hall on the topic "Herzegovinian dry stone walls".

3. FIELD VISIT (27 May 2023)
